NEED UTILITY OR RENT PAYMENT HELP?

Make an appointment at the village office to discuss your gas bill by calling **419-273-0321**. Looking for outside assistance to help you cover your utilities, you can go online and apply for assistance through one of the many programs available to you. One such program is the CARES Act financial assistance which is available for past due mortgage, rent, and water and sewer utility payments. Income eligibility guidelines apply. Contact Great Lakes Community Action Partnership at 1.800.775.9767 or go to needhelp-payingbills.com and select the category of need—rent, mortgage, etc and choose from the many available resources listed.

MCCOMB POLICE CHIEF RETIRES

Police Chief Greg Smith submitted his retirement papers during the Jan 25th council meeting after serving his community for more than 20 years. We would like to take this opportunity to say **THANK YOU** for a job well done. Greg's immediate plans include staying in the community and remaining a Panther dad for at least a little while longer. We wish him the very best life has to offer.

SPOTLIGHT

Mr. Greg Shannon has stepped into the final council seat as of Feb 8, 2021. Mr. Shannon arrived to McComb in the mid 70's as a teenager from Logan County. Feeling as though he always belonged in our quaint village, he has made McComb his life long home with his wife, sons and dog Auggy. Employed as a tool and die machinist with EZ-PAK, a division of Hearthside Food Services, Mr. Shannon tries to greet each day's challenges with a keen eye and unique perspective. His work experiences have enabled him to hone his skills in working with others and open communication. He is looking forward to the challenges before him as a council member.

Wave hello to the Shannons as you pass his home on West Main Street.

UPDATES ON COUNCIL MEETINGS

- Covid-19 began its impact on our business landscapes as well as how we interact with each other in March of 2020. Its effects are far from over.
- We noted to you last month council meetings were limited or zoomed to follow CDC mandates. These requirements continue to change as we move into our third month of 2021.
- **As your council we continue to strive to meet the needs of the population despite the changes in guidelines and restrictions.** Please watch the Village Facebook page and the Village Website for links to important messages as well as instructions for viewing council meetings either live or recorded in the near future. We are striving to provide the Village with transparency.

NWWSD – ANSWERING YOUR WATER & SEWER NEEDS

The Northwestern Water and Sewer District continues to make improvements to Village's water and sewer system. Work on the \$600,000 waterline project on South Main, Todd, and West Cooper Streets will wrap up in March. Crews will then focus on pavement work and restoration in the spring as weather allows.

Now that the Water Reclamation Facility in McComb is complete, The District will shift its focus underground to the Village's sewer collection system. Phase 1 is a \$950,000 project that will start in March. This project will impact E. Main Street, west of Park Drive, Park Drive, from Main Street to Bond-Preble Street, Cora Street, and the alley between S. Park Drive and Todd Street. Residents will receive a letter with project and contact information.

Finally, watch for updates on NWWSD.ORG and villageofmccomb.com on an upcoming information meeting in March regarding the Village's water supply. The meeting will be held via zoom. We hope you can join us. For more on projects, contact information, and more, go to NWWSD.ORG or call us at 419-354-9090 Option 2.

BE SURE TO THANK YOUR CITY STREET CREW

Remember that snow not that long ago? Sure was nice to see streets maintained during a somewhat difficult time. We all have our street crew to thank for such exceptional service. Billy Siferd and Jared Schroll were out many hours making our passage safe. Buy them a cup of coffee next time you see them around!

POGGEMEYER DESIGN GROUP MARCH 8 COUNCIL MEETING

Discussion of master plan for restoration and construction of storm water infrastructure —your ERU Storm Water dollars at work. Council meeting starts at 6:30 pm in council chambers.

SEEKING POOL EMPLOYEES FOR 2021 POOL SEASON

Now accepting applications for manager and guard positions for the 2021 pool season. The pool is projected to be open Friday thru Sunday and Monday Holidays at the current time.
