### MESSAGE FROM MAYOR SCHROLL

First, I'd like to express a heartfelt thanks to the McComb residents who elected me as your mayor for the upcoming two years.

I plan to continue to address the issues we are currently working on and the future needs of the Village.

I look forward to working as a team to make these improvements! Currently we have an exceptional Administrative Team, Chief of Police, Tax Administrator, Street/Park Departments and Village Council. Council has devoted many hours working together for the community and I look forward to leading the Village in the future with positive changes. No one can do all the jobs, but together we can! Let's take this Village to the next level!

Thanks Again!

**PLEASE DO YOUR PART TO HELP KEEP MCCOMB BEAUTIFUL**

There are several residents who currently have inoperable vehicles on their property. This is a violation. The ordinance states the following are violations.

1. Said vehicle fails to display a current vehicle registration plate and sticker if such vehicle or device is of the type required to be registered by the laws of the State of Ohio; or
2. Said vehicle is not capable of or unsafe use on the public street or highways because of defective or missing parts or components; or
3. Said vehicle is missing or has had removed any of its seats, doors, hood, trunk lid, engine, transmission, or other drive train parts, has flat or missing tires or wheels, or broken or missing windows. "Vehicles" include passenger cars, utility trailers, campers, boat trailer, motorcycles, motorized bicycles, and bicycles.

There are many companies who are currently purchasing junk vehicles for scrap and will come to pick them up! Collect some money and clean your property up at the same time...a win, win!
