NORTHWESTERN WATER AND SEWER DISTRICT MCCOMB UPDATE

The District continues to make improvements and invest in the McComb water system. A \$539,000 project is set to begin on January 31, 2022, making upgrades to various lines including N. Liberty Street between Oliver Street and Cooper Street, on W. Main Street from Rader Road to SR 613, on Pleasant Street between Maple and Cooper Street, and on N. Walnut Street. If you will be impacted, you should have received a letter with more details on the project and how it will affect your water service.

Want to know the latest on projects in McComb? We invite you to sign up for updates on projects, including the upcoming McComb/North Baltimore Waterline interconnection project. Go to nwwsd.org/sign-up/ and click on the McComb Project list to join.

Finally, as the extreme cold continues, we want to remind you to keep your heat on, especially if you leave on vacation or own a vacant property. It's recommended you keep the heat set above 50 degrees. Keep cabinet doors with pipes inside them open. For more on how to protect your plumbing from the cold go to nwwsd.org.

PLEASE DO YOUR PART TO HELP KEEP MCCOMB BEAUTIFUL

The past couple of months we have been informing residents who have inoperable vehicles on their property that this is a VIOLATION.

The Village Ordinance states the following are the violations.

1. Said vehicle fails to display a current vehicle registration plate and sticker if such vehicle or device is of the type required to be registered by the laws of the State of Ohio; or
2. Said vehicle is not capable of or unsafe use on the public street or highways because of defective or missing parts or components; or
3. Said vehicle is missing or has had removed any of its seats, doors, hood, trunk lid, engine, transmission, or other drive train parts, has flat or missing tires or wheels, or broken or missing windows. "Vehicles" include passenger cars, utility trailers, campers, boat trailer, motorcycles, motorized bicycles and bicycles.

Chief Blunk will begin notifying owners to remove their vehicles. Beyond residents being notified it will result in legal issues with costs to the vehicle owner. **PLEASE REMOVE YOUR INOPERABLE VEHICLES BEFORE YOU FACE FINES AND LEGAL CONSEQUENCES.**

Village Council Meetings:

Second and Fourth Monday of each month at 6:30 PM.

Council Chambers @ Municipal Building

DUTY TO KEEP SIDEWALKS CLEAN

We want to remind everyone during the winter season, you have 12 hours AFTER snowfall to clear your sidewalks of snow before fines will be issued.

MILITARY BANNERS

The Village plans to rehang the previous military banners next year along with newly requested ones. If you would prefer not to have yours rehung, you may contact the Village office and pick it up.

MESSAGE FROM CHIEF BLUNK

For emergencies, please call 911 or call the Sheriff's Department at 419-424-7097. If I am working the Sheriff's Department will let me know immediately or dispatch a Sheriff Deputy.

ANNOUNCEMENT FROM THE VILLAGE ADMINISTRATOR

We need your help!! As you are aware council has been talking about the Church Street Interceptor project. This project is estimated to cost around 1.4 million dollars. The aim of this project is to help with drainage in the Village. This is only one part of a bigger 11 plus million dollar project for storm drainage throughout the Village. The Village does not have the dollars to do this alone, so we have been trying to get grants to help pay for some of these costs. We have had grant writers from Poggemeyer Design Group to help us with this. Unfortunately, we did not receive any grant money. We have been told by the committees that award these grants what we need to improve on to better our score so we could possibly be awarded the grant dollars. **THIS IS WHERE WE NEED YOUR HELP!!** We are asking that if you could send us any pictures, insurance claims, any costs that you might have incurred due to flooding of your street or homes and the backing up of storm/sewer water into your home. The more documented material we have the better chance the Village will be awarded grants. The Village would greatly appreciate your help in this matter. In order for us to better help you we need to work together to better our community with new infrastructure that not only helps residents but also helps to bring industry to our Village. Thank you for your help in this matter. Please send information to glike@villageofmccomb.com or contact us at 419-273-0321 Ext. 4 to speak with the Village Administrator.

GAS ORGANIZATIONS WILLING TO HELP YOU

With the winter season, we want to remind you there are organizations willing to help you pay your bills. We have had several people already take advantage of their help. Here is a list of a few we know are willing to help:

1. HEAP can be contacted at 800-282-0880 or at www.energyhelp.ohio.gov.
2. Community Action can be contacted at 419-423-3755 or at www.hhwpcac.org.
3. Christian Clearing House can be contacted at 419-422-2222 or at www.hcchfindlay.org.

VILLAGE VOICES

Would you like to have more information on a Village matter? Do you have suggestions or new ideas for the Village? If so, please contact the Village office at 419-273-0321 or email us at villageofmccomb@outlook.com or cschroll@villageofmccomb.com. We will either contact you directly or feature the subject in an upcoming newsletter.
Your **VOICE** counts!
