STREET WORK UNDERWAY

You are probably wondering why this is under street work but its really a piece of conduit with wiring in it that is at the intersection of Todd Street and Main Street on the south side of the intersection. Hence why paving stopped where it did. We are diligently working these kinds of issues that require special intervention before just "paving over the top" of things. Todd Street, Smith Street and West South Street received some much needed repairs before the school year starts. This conduit repair will occur once we ascertain the full extent of work required in order to provide safe streets. This is just one example of things your street committee, your council and your village administrator work together on to make sure it is repaired correctly. This conduit was installed incorrectly when the street lamps were placed.

NEW POLICE CHIEF NAMED

Tammy Blunk has been named as the new Police Chief for the Village of McComb. Tammy is a veteran officer of 18 years experience. She has experience as lead investigator on hundreds of cases with a 90% success rate in the court room. She also holds certification as a School Resource Officer, ALICE and in specialty investigation requirements involving the mentally challenged, Alzheimer and dementia persons as well as hostage negotiation. She is coming to our Village from her position in Ottawa. Chief Blunk will begin her duties on or about July 19th. The Hancock County Sheriff's Office will continue to support the Village's needs with their contract for the 20 hours coverage per week in addition to their routine patrol of our area of the county. The Village is embracing a shared work force with HCSO for policing in the community.

NORTHWESTERN WATER AND SEWER DISTRICT

The Northwestern Water and Sewer District is getting close to having the sewer project near the park complete. Sewer work is expected to wrap up in the next few weeks, then crews will be performing road and sidewalk repairs as needed. Please be aware of possible road restrictions along Cora and Main Street and Park Drive. Use caution as they wrap up this work.

District crews recently completed flushing all of the fire hydrants in McComb. The District does this each year to ensure that these important safety devices are functioning properly around the Village.

As a reminder, the District doors at their main building at 12560 are now open to the public following the lifting of Ohio's health orders. The District also announced new hours of operation: Monday through Friday from 7:30 am until 4:30 pm. Please feel free to stop in or call them at 1-419-354-9090 during these new hours.

ROUTINE VILLAGE BRUSH COLLECTION

On Mondays, Village Street Crews will pick up smaller residential tree branches as a convenience for the residents. Branches should be no larger than 4 ft in length and of moderate diameter. The brush pile is open to all village residents to accept larger brush and grass clippings that residents may place on their own.

GRASS CLIPPINGS WILL NO LONGER BE COLLECTED BY THE STREET CREW.
