### JULY REAL ESTATE STATEMENTS

This July the homeowners in McComb will see a full year's assessment on the second half real estate taxes for the Village of McComb special assessments for lighting and streets. Each year council must vote on both Ordinances to continue the assessments. In 2020, the Village Mayor and Administrator did not provide the ordinances for the council to approve. Therefore, the assessments were not included in your first half of 2021 real estate tax. Remember taxes are collected a year in arears. In February, we contacted the Hancock County Auditor's Office and the Ordinances were submitted and approved for full collection in the second half of 2021. Please know these assessments are very important to our Village The lighting assessment generates approximately \$43,897 and the street assessment \$117,042. In doing some research, it appears the voters first approved the taxes in November of 1983. When millage remains the same, the request for millage renewal does not require being placed on a full ballot each year. If you opted to pay the full year of your property taxes in February of 2021, you will be sent only the McComb assessment bill. If you have any questions, please do not hesitate to contact the Village Office.

**ROUTINE VILLAGE BRUSH COLLECTION**

On Mondays, Village Street Crews pick up smaller residential brush as a convenience for the residents. Branches should be no larger than 4 ft in length and of moderate diameter. The brush pile is open to all village residents to accept larger brush that residents may place on their own. THERE WILL BE NO BRUSH PICK UP THE WEEK OF MAY 31- JUNE 6 due to street closure.
