VILLAGE SPRING CLEANING

- On Mondays, the Village Street Crew will pick up smaller residential brush as a convenience for the residents. Branches should be no longer than 4 foot in length and of moderate diameter. The brush pile is open to all village residents to dispose of larger brush that residents may drop off on their own. Please do not dump brush in the leaf drop off. Brush drop off is located past the new sewer plant to the north.
- Watch the Village Website for updates and information on Village events.

SPRING PROJECT ZONING REMINDERS

- Any outside building project (shed, pool, porch, fence, gazebo, new building, etc.) requires a zoning permit.
- Applications are filed at the Village office. You will need a sketch of the project along with relevant measurements of any fence, building, etc. as well as distance from all property lines. Our goal is to have your permit ready in 3-5 business days unless your application needs to be reviewed with the Planning Commission.
- Reminder- The Village is not responsible for determining property lines. If property lines are in dispute, the property owners are responsible for obtaining a survey at their own expense.
- Building on easements is not permissible and can result in sheds moved and fences taken down at the owner's expense.
- Call the Village office in advance if you need assistance locating easements, permissible use questions and ordinances governing outside projects.

COMMUNITY GARAGE SALES

The Community Garage Sales are being held on May 13th (8:00 am to 4:00pm) and May 14th (8:00 am to 2:00 pm).

MEMORIAL DAY PARADE

The Memorial Day Parade will be held Monday May 30, 2022, at 10:00 am starting at the McComb VFW heading to the McComb Union Cemetery where the Memorial Day service will be held. If it is raining the service will be held at the McComb Local School.

NORTHWESTERN WATER AND SEWER DISTRICT MCCOMB UPDATE

Work continues on the latest McComb waterline project. Our crews have finished mainline work throughout the project. There still may be lane restrictions on N. Liberty Street between Oliver Street and Cooper Street, along W. Main Street from Rader Road to SR 613, on Pleasant Street between Maple and Cooper Street, and on N. Walnut Street as we install residential service lines and perform restoration. You will be notified of water service interruptions. We appreciate everyone's patience with this project.

The District is finalizing the design and permits for the upcoming McComb Regional Water Interconnection. This project will be bringing water from North Baltimore to McComb. Watch for more information in future newsletters or check out our social media @nwwsd.

Did you know that the average ring time to speak to a *live* customer service representative at The District is just 12 seconds? Our customer service department is here to help, weekdays from 7:30 a.m. until 4:30 p.m., just call 419-354-9090 Option 2. You can visit our website 24/7/365 at nwwsd.org.

DOWNTOWN FLOWERS

Each year the Village purchases the flowers, summer maintenance and watering for the downtown, park, and safety service building. The McComb Rotary plants the flowers and Ed Aller waters and takes care of them throughout the season.

Ed has informed us this is his last year to water and take care of the downtown flowers. If you are interested in taking over the position, please contact Ed Aller at 419-293-3125.

JUNK VEHICLE ENFORCEMENT

Spring is here and we are going to start enforcing junk vehicle violations. We have shared the regulations regarding junk vehicles for a few months in past newsletters, so we are now going to be enforcing this and fining people that violate these regulations. Please take care of these vehicles.

GAS ORGANIZATIONS WILLING TO HELP YOU

We want to remind you there are organizations willing to help you pay your bills. Several people have already taken advantage of their help. Here is a list of a few we know are willing to help:

1. HEAP can be contacted at 800-282-0880 or at www.energyhelp.ohio.gov.
2. Community Action can be contacted at 419-423-3755 or at www.hhwpcac.org.
3. Christian Clearing House can be contacted at 419-422-2222 or at www.hcchfindlay.org.

VILLAGE REMINDERS

1. Motorized or battery-operated licensed vehicles may only be driven in roadways and parking lots in the park. They are not permitted on the walking paths or grass areas (Ordinance No. O-1977-2).
2. McComb Cemetery Clean-up: Please make sure you remove all seasonal items from the ground surrounding the gravestone. The sexton will not be removing items on top of the stones.
