## Village of McComb Student Committee Consent Form

Dear Parent/Guardian,

Your student has expressed an interest in applying for the Village of McComb Student Committee. This is a student-led organization that meets throughout the year to learn about local government, coordinate village-wide activities, and to foster McComb pride. It is made up of six school students (from 8<sup>th</sup> grade - Senior) who will meet at the determined frequency, location, and times of the selected committee. If selected, they will be expected to serve a 2-year term unless otherwise noted.

Student committee members are selected by the Village of McComb Council. To be selected, students must return an application, this consent form, and a 1-to-2-page essay to the Village of McComb. You may review the current handbook on the Village of McComb website.

Sincerely,

The Village Council of McComb

I have reviewed the responsibilities involved for a Village of McComb Student Committee member with my child and consent to his / her participation in this committee if selected.
