FOR IMMEDIATE RELEASE

Hydrant Flushing-Village of McComb

Bowling Green, Ohio-The Northwestern Water and Sewer District's Maintenance Department will be flushing and testing fire hydrants beginning June 10, 2022 through June 24, 2024. Testing will be performed between the hours of 8:00 a.m. and 3:30 p.m., Monday through Friday.

Residents may experience rusty water during this period and should run tap water prior to using water for laundry purposes. Should you do laundry during this testing period and rust appears on clothing, rust removing chemicals may be obtained at the Northwestern Water and Sewer District's office located at 12560 Middleton Pike, Bowling Green, between 8:00 a.m. and 5:00 p.m., Monday through Friday. Customers may call (419) 354-9090 or (877) 354-9090 (toll free) if they have any questions or need rust removing chemicals.

A handwritten signature in blue ink, appearing to read 'Jerry Greiner', is positioned above the printed name and title.
